

Maple Syruping

4TH GRADE FIELD TRIP

McElroy Environmental
Education Center
2355 Ada Rd in Lima

Registration begins Feb 2!

Join us for our interdisciplinary nature-based program that explores the history of maple syrup production from tree to table!

Students will learn from Nature Education staff and curriculum-based activities that maple syrup production has changed over time and across cultures as materials and techniques evolved.

**March
2027**
